It is your responsibility to make sure. If the company does not collect the \$10 Senior Photo Fee, you must submit the fee and your photo to the yearbook staff by **Monday, October 2, 2017**. Please see the instructions above to submit.
- If you choose to use a photographer not on the Preferred Photographer list, you must submit a photo that meets all the guidelines above, along with \$15 Senior Photo Fee by **Monday, October 2, 2017**. Please see the instructions above to submit.
- Please note that a student is not required to submit a senior photo or pay the fee. Any student who chooses not to submit a photo and/or pay the required photo will still be included in the yearbook.
